Learning Objectives

At the conclusion of this activity, the learner will be able to:

1. Recognize the most valid, cost-effective, and accurate diagnostic imaging techniques for the assessment of various conditions in the musculoskeletal system.
2. Identify the most recent advances in artificial intelligence that involve musculoskeletal radiology.
3. Understand safe and effective approaches to performing image-guided procedures in the musculoskeletal system.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society of Skeletal Radiology (SSR). Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME) Credit Designation (Preliminary)

Amedco LLC designates this **live activity** for a maximum of **20.75*** *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Amedco LLC designates this **enduring material** for a maximum of **18.75** *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*20.75 includes the optional LIVE ultrasound course which is 2.0 credits.
