

2021 SSR Virtual Annual Meeting March 13 – 17, 2021

We're counting down to the SSR 2021 Annual Meeting! This year's virtual location: Your couch, your clinical area, your office!

In just five weeks, March 13-17, our groundbreaking event will offer the same top-tier education, industry engagement, and access to CME credits that you are accustomed to, all in a leading-edge digital format.

Here's what you need to know.

Register Today for Free

(Must be current with society dues payment)

Visit <https://skeletalrad.org/ssr-2021-virtual-annual-meeting> to register and view our programs.

Getting Online March 13-17 – beginning at 9 a.m. EDT

The Virtual Annual Meeting will be taking place on the event platform Whova. Attendees will be able to watch pre-recorded and live content via the Whova event website as well as the Whova mobile app! Access to the Whova platform will be emailed to registrants about a week before the start of the meeting.

Looking to chat during the live event?

Each session will have both a real-time Chat and Live Q&A feature. You will be able to submit your question to a presenter and have it answered during the Live Q&A sessions. You can also continue the discussion after the meeting has ended with the Whova "Virtual Meet-Up" feature!

On-Demand Content

Can't attend the sessions live? There's no need to worry. Presentations and recordings of the Live Q&A sessions will be available for On-Demand viewing after the event has ended.

Program Highlights Include:

- Best Practice and Emerging Trends – Upper Extremity & Lower Extremity Sessions
- Technologies and Techniques Sessions
- Hip / Pelvis Sessions
- Tumor Sessions
- Whole Body MSK MR Imaging Breakout
- Practical Topics in Wrist and Hand Imaging Breakout
- MSK Ultrasound Workshop
- Gender Diversity & Equality in Radiology Breakout
- Case of the Day
- And More!!!

Special Session for Residents / Fellows

This is a great event to alert your Residents and Fellows to attend! Not only is the 2021 Virtual Annual Meeting available for them to attend, it's FREE! It is a great time for them to be introduced to the Society and the expertise of hundreds of members. Of course, they will have to register on the SSR website in order to attend. As a special for 2021, in addition to the full program access (also includes the virtual Ultrasound session), there will be a Resident-Only session on Tuesday, March 16th, to be held 3:15pm to 5:00pm EST.

This session will include:

- Tips on applying to MSK radiology fellowships
- How best to approach MSK radiology research projects as a resident/fellow
- Getting involved in SSR through the SSR Resident Working Group
- Hot seat interesting case review

We look forward to your joining us at the meeting. Please use this link to register <https://skeletalrad.org/ssr-2021-virtual-annual-meeting>

Best,

Larry White, SSR President

Donna Blankenbaker, SSR 2021 Program Director/SSR President-Elect
