

SOCIETY OF SKELETAL RADIOLOGY

49TH ANNUAL MEETING

SSR2026

HUNTINGTON BEACH

CALIFORNIA // MARCH 7-11

INVITATION

Dear Industry Colleagues,

On behalf of the entire Society of Skeletal Radiology, it is my pleasure to invite your support and participation at the SSR 49th Annual Scientific Meeting. This one-of-a-kind meeting, held each year to encourage research, disseminate new information, stimulate collaboration and refine subspecialty expertise will be held on March 7 - 11, 2026 at the Hyatt Regency in Huntington Beach, California.

Exhibiting at the SSR Annual Meeting will allow you to network with over 350 musculoskeletal radiologists from across the US and beyond. We are experiencing rapid growth in our society composed of musculoskeletal radiologists with deep connections to Orthopedic Surgery, Sports Medicine, Rehabilitation and Rheumatology. We also train the new generation of radiology residents and musculoskeletal fellows who are exposed to new and innovative products such as imaging equipment and procedural techniques. Dedicated to encouraging and supporting the development of expertise in the subspecialty, the members at this meeting want to meet you face-to-face and examine your products and services. Like many subspecialists, members are typically based in large academic institutions or large private practice groups. Most hold high-level positions in their departments and are among the most highly regarded radiologists in the world.

The 49th Meeting in Huntington Beach, is designed as a unique opportunity for attendees to participate in the discussion of peer-reviewed papers given by society members. Completed research, preliminary work, and innovative ideas are all given a forum with discussion encouraged. Based on needs assessment, special sessions and panel discussions are also developed and implemented. New this year, the program will feature a dedicated session focusing on AI in MSK.

The exhibit hall will be in a separate room within proximity to the general session. Breakfast, lunch and breaks will be hosted in the exhibit hall to encourage optimal traffic. Sponsors will also receive a complimentary virtual companion page built into the meeting app. Additional sponsorship opportunities are available in the attached exhibitor prospectus. While more than one-third of SSR members attend the live conference each year, your company information and messaging will reach over 1,300 SSR members through recognition on our website and pre-and-post meeting member newsletters.

Thank you for your consideration of our request for participation in this cutting-edge Musculoskeletal Radiology Conference. Here's to success in the coming year, see you in Huntington Beach!

LEARNING OBJECTIVES

At the conclusion of this activity, the learner will be able to:

1. Apply real life situations to clinical practice.
2. Integrate knowledge and performance in the assessment and diagnosis of musculoskeletal sports injury, tumors, trauma and degenerative disease.
3. Identify the anatomy of normal MSK tissues, variants and mimicker of disease.
4. Identify morphologic, histologic and imaging characteristics of MSK disease.
5. Describe the specific pathology that accounts for the appearance of osseous and soft tissues in the setting of trauma, overuse, degeneration, inflammatory/autoimmune and neoplastic conditions on various imaging modalities.
6. Recognize the relationship of specific biomechanical activities, injuries and treatments to the appearance of joints, bone, and soft tissues on image, arthroscopic, and pathologic assessment.
7. Review the optimal role of imaging, surgery and histopathology in the diagnosis and management of musculoskeletal disease and health.
8. Identify the complementary role of emerging imaging techniques, modalities, and interventional/therapeutic procedures in the diagnosis and management of specific musculoskeletal conditions.
9. Illustrate competency in Ultrasound, MRI, and therapeutic approaches in the assessment and management of the musculoskeletal system.

Rush University Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Rush University Medical Center designates this live activity for a *maximum of 20.25 AMA PRA Category 1 Credit(s)[™] Physicians should claim only credit commensurate with the extent of their participation in the activity.

*Actual number of CME has not yet been determined, and may vary slightly.

SPONSORSHIP INFORMATION

EXHIBIT SPACE RESERVATION

Companies wishing to exhibit must submit a completed exhibitor form with method of payment indicated on the form. Exhibits provide an educational service to participants and provide useful information about developments, products and services related to their interests and responsibilities. Products or services displayed must further the purpose of the meeting and provide an atmosphere conducive to exchanging information relevant to the clinical content of the conference.

NEW to MSK?

Special opportunities are available for first time exhibitors and companies who are new to the MSK radiology space. For more information, please contact Ryan@veritasamc.com or call 847-571-2920. We look forward to meeting you.

Exhibitor Details

Exhibitor Move in - March 7th

Exhibitor Move out - March 10th

Timing and Dates are subject to change based on the agenda.

HANDS-ON MSK ULTRASOUND COURSE

Monday, March 9th
Lecture/Demo 1:30 pm - 2:00 pm
Workshop 2:00 pm - 3:30 pm

Companies that are interested in providing equipment for this session may contact Tara Luczak at Tara@veritasamc.com.

SPONSORSHIP OPPORTUNITIES

DIAMOND LEVEL Choose One of the Following:

\$25,000

- Recognition in conference program
- Recognition on mass marketing emails

SPONSORSHIP OPPORTUNITIES

SILVER LEVEL Choose One of the Following:

\$10,000

HANDS-ON BIOPSY & ABLATION WORKSHOP (SATURDAY, MARCH 7 - 1PM - 5PM)

Showcase your products in the first ever SSR Hands-On Biopsy & Ablation Workshop. Attendees will pre-register for this workshop and rotate between stations that feature Cryoablation, Radiofrequency Ablation, Nerve Ablation and Biopsy and Bone Access. As a sponsor of this session, your company will have a dedicated station in the workshop. An SSR Faculty member will assist in the hands-on training of your products at your station. Sponsors will also be invited to attend the networking reception immediately following the workshop.

MEETING APP

Make a lasting impression on attendees by sponsoring the app that houses all materials for the meeting, allowing your banner ad to be viewed by all attendees.

WIFI PASSWORD

Your custom word or short phrase becomes the code attendees must enter to access the internet throughout the meeting. This is a great way to create a buzz, start conversations or drive traffic to your included exhibit table.

Please contact Ryan@veritasamc.com for internet code approval.

BRANDED LANYARDS

Your corporate logo will be displayed on conference name badge lanyards given to all attendees and your organization will be acknowledged in the meeting program.

HOTEL KEY CARDS

Be the exclusive key card sponsor for the SSR Meeting. Have the key cards branded with the logo of your choice.

Silver Level Includes:

- 6-foot draped table with 2 chairs
- 2 exhibitor badges
- 2 tickets to Welcome Reception
- Recognition signage at entrance of program
- Company link on conference website
- Recognition in conference program
- Recognition on mass marketing emails

COFFEE BREAK

\$7,500

Provide attendees with an AM or PM jolt by sponsoring the coffee breaks during the annual meeting.

Coffee Break Level Includes:

- 6-foot draped table with 2 chairs
- 2 exhibitor badges
- 2 tickets to Welcome Reception
- Recognition signage at entrance of program
- Company link on conference website
- Recognition in conference program
- Recognition on mass marketing emails

TABLE TOP EXHIBIT BOOTH

\$5,000

Exhibit Booth Level Includes:

- 6-foot draped table with 2 chairs
- 2 exhibitor badges
- 2 tickets to Welcome Reception
- Recognition signage at entrance of program
- Company link on conference website
- Recognition in conference program
- Recognition on mass marketing emails
